To Whom it May Concern:

We certify that SPV Company Ltd. is the official and exclusive distributor of Morse Watchmans products in Ukraine and is authorized and capable of providing installation, programming and maintenance for the KeyWatcher products in this region.

If by any means SPV Company Ltd. is unable to give service to the Morse Watchmans product, we will provide the service directly from our factory in Oxford, Connecticut, U.S.

If you have any questions, please don't hesitate to contact me.

Sincerely,

Tim Purpura
